Community Poster Discussion Questions

1. How do you feel about the couples shown in the poster?
2. Is it typical in our community for women and men to balance power in their relationships like the couples in the poster? Why or why not?
3. What are the benefits of this way of relating to each other? For women? For men? For children? For the community?
4. Do you think the couples in the poster are happy in their relationships? Are they healthy?
5. Do you think it is possible for women and men to balance power in their relationships as they are doing in the poster? Why or why not?
6. How could you help others become aware of the benefits of balancing power in relationships?
